TITLE 4. PROFESSIONS AND OCCUPATIONS

CHAPTER 18. NATUROPATHIC PHYSICIANS MEDICAL BOARD

(Art. No.: A.R.S. § 32-1501 et seq.)

Editor’s Note: Laws 2008, 2nd Regular Session, Ch. 16 provided for a name change of the Naturopathic Physicians Board of Medical Examiners to Naturopathic Physicians Medical Board (Supp. 12-2).

Editor’s Note: This Chapter contains rules which were adopted under exemptions from the provisions of the Administrative Procedure Act (A.R.S. Title 44, Chapter 6) pursuant to A.R.S. § 41-1005(25). Exemption from A.R.S. Title 41, Chapter 6 means that the Naturopathic Physicians Board of Medical Examiners did not submit these rules to the Governor’s Regulatory Review Council for review; the Board did not submit notice of proposed rulemaking to the Secretary of State for publication in the Arizona Administrative Register; the Board was not required to hold public hearings on these rules; and the Attorney General did not certify these rules. Because this Chapter contains rules which are exempt from the regular rulemaking process, the Chapter is printed on blue paper.

Editor’s Note: This Chapter has been reprinted due to an error in publishing text that was thought to be adopted and certified but in fact was rejected by the Attorney General on December 29, 1995 (Supp. 95-4). Removal of this text reflects the latest effective rules on file with the Office of the Secretary of State last modified Supp. 88-4 (reprinted Supp. 96-4).

Editor’s Note: This Chapter contains rules which were adopted under exemptions from the provisions of the Administrative Procedure Act (A.R.S. Title 44, Chapter 6) pursuant to A.R.S. § 41-1005(25). ARTICLE 1. GENERAL PROVISIONS

R4-18-101. Definitions
In addition to the definitions in A.R.S. §§ 32-1501 through 32-1581, the following definitions apply to this Chapter unless otherwise specified:

1. “Administrative completeness review” means the Board’s process for determining that an applicant has provided, or caused to be provided, all of the application packet information and documentation required by statute or rule for an application for a license or a certificate.

2. “Applicant” means a person requesting from the Board an initial, temporary, or renewal license or certificate.

3. “Approved Specialty College or Program” means any postdoctoral training program that awards a medical specialty certificate and is approved by one of the following:
   a. The Council on Naturopathic Medical Education,
   b. The American Association of Naturopathic Physicians,

4. “Chief medical officer” means a physician who is responsible for a clinical, preceptorship, internship, or postdoctoral training program’s compliance with state and federal laws, rules, and regulations.

5. “Continuing medical education” means courses, seminars, lectures, programs, conferences, and workshops related to subjects listed in A.R.S. § 32-1525(B), that are offered or sanctioned by one of the organizations referenced in R4-18-205(B).

7. “Endorsement” means the procedure for granting a license in this state to an applicant who is currently licensed to practice naturopathic medicine by another state, district, or territory of the United States or by a foreign country that requires a written examination substantively equivalent to the written examination provided for in A.R.S. § 32-1525.

8. “Facility” means a health care institution as defined in A.R.S. § 36-401, office or clinic maintained by a health care institution or by an individual licensed under A.R.S. Title 32, Chapter 13, 14, 17, or 29, office or public health clinic maintained by a state or county, office or clinic operated by a qualifying community health center under A.R.S. § 36-2907.06, or an office or clinic operated by a corporation, association, partnership, or company authorized to do business in Arizona under A.R.S. Title 10.

9. “Informed consent” means a document, signed by a patient or the patient’s legal guardian, which contains the information in R4-18-802(A)(1), (A)(2), and (A)(3).

10. “Institutional review board” means a group of persons that is approved according to guidelines of the United States Department of Health and Human Services, Office for Human Research Protection, which reviews investigational or experimental protocols and approves their use on animals or humans for the purposes of protecting the subjects of the investigational or experimental protocol from undue harm and assures that the research and its review is carried out according to guidelines of the United States Department of Health and Human Services, Office for Human Research Protection.

11. “Internship” means clinical and didactic training by a doctor of naturopathic medicine certified by the Board according to A.R.S. § 32-1561.

12. “License” means a document issued by the Board that authorizes the individual to whom it is issued to practice naturopathic medicine.

14. “Medication” means the same as drug defined in A.R.S. § 32-1501(15) or natural substance defined in A.R.S. § 32-1501(23).

15. “National board” means any of the following:
   a. The Federation of State Medical Licensing Boards,
   b. The National Board of Chiropractic Examiners,
   c. The National Board of Medical Examiners,
   d. The National Board of Osteopathic Examiners, or
   e. The North American Board of Naturopathic Examiners.

16. “Procedure” means an activity directed at or performed on an individual for improving health, treating disease or injury, or making a diagnosis.

17. “Protocol” means an explicit detailed plan of an experimental medical procedure or test that is approved by an institutional review board.

18. “Resident physician in training” means a person who holds a degree of doctor of naturopathic medicine and is certified by the Board to diagnose and treat patients under supervision in an internship, preceptorship, or a postdoctoral training program.

19. “Substantive review” means the Board’s process for determining whether an applicant for licensure, certification, or approval meets the requirements of A.R.S. Title 32, Chapter 14 and this Chapter.

R4-18-105. Reserved

R4-18-106. Rehearing or Review of Decision
A. Except as provided in subsection (G), any party who is aggrieved by a decision issued by the Board may file with the Board not later than 30 days after service of the decision, a written motion for rehearing or review of the decision specifying the particular grounds for the rehearing or review. For purposes of this Section, a decision is considered served when personally delivered or five days after mailing by certified mail to the party at the party’s last known residence or place of business.

B. A motion for rehearing or review under this Section may be amended at any time before it is ruled upon by the Board. A response may be filed within 15 days after service of the motion or amended motion by any other party. The Board may require the filing of written briefs upon the issue raised in the motion and may provide for oral argument.

C. A rehearing or review of a decision may be granted by the Board for any of the following reasons materially affecting the party’s rights:

1. Irregularity in the proceedings of the Board, administrative law judge, or any abuse of discretion that deprives the moving party of a fair hearing;
2. Misconduct of the Board or an administrative law judge;
3. Accident or surprise that could not have been prevented by ordinary prudence;
4. Newly discovered material evidence that could not, with reasonable diligence, have been discovered and produced at the hearing;
5. Excessive or insufficient penalties;
6. Error in the admission or rejection of evidence or other errors of law occurring at the hearing; or
7. That the findings of fact or decision is not justified by the evidence, or is contrary to law.

D. The Board may affirm or modify its decision or grant a rehearing or review, to all or any of the parties on all or part of the issues for the reasons specified in subsection (C). An order modifying a decision or granting a rehearing or review shall specify with particularity the grounds on which the rehearing or review is granted, and the rehearing or review shall cover only those matters specified.

E. Not later than 35 days after the date a decision is rendered, the Board may, on its own initiative order a rehearing or review of its decision for any reason for which it might have granted a rehearing or review on motion of a party. After giving the parties or their counsel notice and an opportunity to be heard on the matter, the Board may grant a motion for rehearing or review, timely served, for a reason not stated in the motion. In either case, the order shall specify the grounds for rehearing and review.

F. When a motion for rehearing is based upon affidavits, they shall be served with the motion. An opposing party may, within 15 days after service, serve opposing affidavits. The Board may extend this period for good cause.

G. If the Board makes specific findings that the immediate effectiveness of the decision is necessary for the preservation of the public health and safety and determines that a rehearing or review of the decision is impracticable, unnecessary, or contrary to the public interest, the decision may be issued as a final decision without an opportunity for a rehearing or review. If a decision is issued as a final decision without an opportunity for rehearing or review, any application for judicial review of the decision shall be made within the time limits permitted for applications for judicial review of the Board’s final decisions under A.R.S. Title 12, Chapter 7, Article 6.

**Historical Note**
Editor’s Note: The following Section was adopted under an exemption from the provisions of A.R.S. Title 41, Chapter 6, pursuant to A.R.S. § 41-1005(25). Exemption from A.R.S. Title 41, Chapter 6 means the Board did not submit notice of proposed rulemaking to the Secretary of State for publication in the Arizona Administrative Register; the Board did not submit the rules to the Governor’s Regulatory Review Council for review; and the Board was not required to hold public hearings on this Section (Supp. 99-3).

ARTICLE 2. LICENSES; SPECIALIST CERTIFICATES; CONTINUING MEDICAL EDUCATION; RENEWAL

R4-18-201. Jurisprudence Examination
In addition to the requirements of R4-18-202 or R4-18-203, every applicant for licensure shall take and pass the Arizona Naturopathic Jurisprudence Examination, administered by the Board, with a minimum score of 75%. The examination shall consist of multiple-choice and true-false questions. If an applicant passes the jurisprudence examination to obtain a clinical training certificate under R4-18-501 and is under the continuous regulation of the Board after obtaining the clinical training certificate, the applicant is not required to take the examination again.

Historical Note
New Section made by final rulemaking at 8 A.A.R. 3702, effective August 9, 2002 (Supp. 02-3).

R4-18-202. License by Examination
In addition to the requirements of R4-18-201, an applicant for licensure by examination shall meet the requirements of A.R.S. Title 32, Chapter 14, and provide the Board:

1. A completed application form, provided by the Board that is signed and dated;
2. A copy of the applicant’s examination record including the basic science examination, the clinical science examination, and additional clinical test sections of acupuncture, minor surgery, and homeopathy, sent directly to the Board by the North American Board of Naturopathic Examiners or its successor;
3. A complete transcript sent directly to the Board from the approved school of naturopathic medicine from which the applicant graduated. The transcript shall indicate the date of graduation and date of completion of clinical training;
4. A completed and legible fingerprint card; and
5. The fee specified in R4-18-107.

Historical Note
New Section made by final rulemaking at 8 A.A.R. 3702, effective August 9, 2002 (Supp. 02-3).

R4-18-203. License by Endorsement
In addition to requirements of R4-18-201, an applicant for a license by endorsement shall meet the requirements of A.R.S. Title 32, Chapter 14, and provide the Board:

1. A completed application form, provided by the Board that is signed and dated;
2. A document submitted directly to the Board by the agency by whom the applicant is licensed that is signed and dated by an official of the agency and contains:
   a. The applicant’s name,
   b. The date of issuance of the license,
   c. The current status of the license,
   d. A statement of whether the applicant has ever been denied a license by the agency, and
   e. A statement of whether any disciplinary action is pending or has ever been taken against the applicant.

Historical Note
New Section made by final rulemaking at 8 A.A.R. 3702, effective August 9, 2002 (Supp. 02-3).

R4-18-204. Specialist Certificate
To obtain a specialist certificate, a physician shall meet the requirements of A.R.S. Title 32, Chapter 14 and provide the Board:

1. A completed application form provided by the Board that is signed and dated;
2. The name and address of the approved specialty college or program at which the licensee completed postdoctoral specialty training and the date of completion, and
3. A letter from the specialty board that conducted the specialty examination verifying that the licensee is certified as a specialist in the specialty for which application is made.

Historical Note
New Section made by final rulemaking at 8 A.A.R. 3702, effective August 9, 2002 (Supp. 02-3).

R4-18-205. Continuing Medical Education Requirements
A. Every calendar year, a physician shall complete 30 credit hours of approved continuing medical education activities. Ten credit hours shall be in pharmacology as it relates to the diagnosis, treatment, or prevention of disease. Eight credit hours shall be from programs approved by one or more of the organizations listed in subsection (D)(2). One hour of credit is allowed for every 50 minutes of participation in an approved continuing medical education activity unless otherwise noted in R4-18-205(B).

B. The following are approved continuing medical education activities:

1. Education certified as Category I by an organization accredited by the Accreditation Council on Continuing Medical Education;
2. Continuing medical educational programs in the clinical application of naturopathic medical philosophy that are approved by:
   a. The American Association of Naturopathic Physicians or any of its constituent organizations,
   b. The Arizona Naturopathic Medical Association, or
   c. Any naturopathic licensing authority in the United States or Canada.
3. One credit hour may be claimed for each eight hour day of training in an internship training program, a preceptorship training program, or a postdoctoral training program approved by the Board. A maximum of eight hours per year may be claimed in this manner.
4. One credit hour, not to exceed eight credit hours, may be claimed for each eight hour day of research in subjects listed in A.R.S. § 32-1525(B), if the research is conducted by or sponsored by a school of naturopathic medicine that is accredited or a candidate for accreditation by:
   a. The Council on Naturopathic Medical Education,
   b. The Council for Higher Education Accreditation, or
   c. An accrediting agency recognized by the United States Department of Education.
5. One credit hour may be claimed for each hour serving as an instructor of naturopathic medical students or other physicians in a program approved by one of the organizations listed in

September 30, 2013
Page 5
Supp. 13-3
subsection (B)(2), or a school approved by the Board. A maximum of eight hours may be claimed in this manner.

6. A maximum of four credit hours may be claimed for preparing or writing for presentation or publication, a medically related paper, report, or book that is presented or published addressing current developments, skills, procedures, or treatment in the practice of naturopathic medicine. Credit may be claimed only for materials presented or published. Credit may be claimed once as of the date of publication or presentation.

7. A maximum of eight credit hours may be earned for the following activities that provide necessary understanding of current developments, skills, procedures, or treatment related to the practice of naturopathic medicine if the physician maintains a record for at least three years that includes the name of the activity, the date of the activity, and the amount of time to complete the activity:
   a. Self-instruction that utilizes videotapes, audiocassettes, films, filmstrips, slides, radio broadcasts, or computers;
   b. Independent reading of scientific journals and books;
   c. Preparation for specialty board certification or recertification examinations; or
   d. Participation on a staff committee or quality of care or utilization review committee in a facility or governmental agency.

C. The Board shall grant an extension of time to complete continuing medical education required in subsection (A) upon written application by a licensee if the licensee fails to meet the requirements due to illness, military service, medical or religious missionary activity, residence in a foreign country, or other extenuating circumstance. An extension, other than for military service, shall not exceed 90 days.

D. An applicant for renewal of a license shall certify on the application for renewal, under penalty of perjury, that the applicant has met or will meet, before January 1, the continuing medical education requirements for the calendar year.

E. Board staff shall annually select a minimum of ten percent of the active licensees for an audit of required continuing medical education. Failure to complete the required continuing medical education is considered unprofessional conduct.

**ARTICLE 7. TIME-FRAMES FOR BOARD DECISIONS**

**R4-18-701. Time-frames for Board Decisions**

A. The overall time-frame described in A.R.S. § 41-1072(2) for each type of license, certification, or approval granted by the Board is listed in Table 1. The applicant and the Executive Director of the Board may agree in writing to extend a substantive review and overall time-frame by no more than 25 percent of the overall time-frame listed in Table 1.

B. The administrative completeness review time-frame described in A.R.S. § 41-1072(1) for each type of license, certification, and approval granted by the Board is listed in Table 1.

1. The administrative completeness review time-frame begins on the day the Board receives the application form and the appropriate fee.
2. If the application packet is incomplete, the Board shall send to the applicant a written notice specifying the missing document or incomplete information.
3. The administrative completeness review time-frame and the overall time-frame are suspended from the date on the Board’s notice until the date the Board office receives all missing information.

C. The substantive review time-frame described in A.R.S. § 41-1072(3) for each type of license, certification, and approval granted by the Board is listed in Table 1.

1. The substantive review time-frame begins on the date of the Board’s notice of administrative completeness.
2. If the Board determines that additional information or documentation is required, the Board shall send to the applicant a written request for that additional information or documentation.
3. The time-frame for the substantive review is suspended from the date the request for additional information or documentation is sent to the applicant, until the date on which all of the requested information is received.
4. The Board shall notify the applicant of the dates of all Board meetings at which the application will be considered.
5. The Board shall send a written notice of approval or denial to applicants within ten working days of the Board meeting at which the decision is made. An applicant may request a hearing on the decision within 30 days of the Board’s action.

D. The Board shall consider an application withdrawn if within 360 days from the date of application the applicant fails to:
   1. Supply the missing information requested under subsection (B)(2) or (C)(2); or
   2. If applicable, take and obtain a minimum score of 75% on the Arizona Naturopathic Jurisprudence Examination.

E. During the administrative review period, an applicant may withdraw an application by requesting withdrawal in writing. During the substantive review period, the Board shall decide whether to grant a request to withdraw.

F. An applicant shall send written notice to the Board within 10 days from the date of any change of applicant’s address.

### ARTICLE 8. EXPERIMENTAL MEDICINE

**R4-18-801. Experimental Medicine**

A procedure, medication, or device is experimental if:

1. An Institutional review board exists for a particular procedure, medication, or device;
2. The procedure, medication, or device is not generally considered to be within the accepted practice standards for the naturopathic profession; and
3. The procedure, medication, or device is not part of the curriculum at an approved school of naturopathic medicine or approved postdoctoral training.

**Historical Note**

New Section made by final rulemaking at 8 A.A.R. 3702, effective August 9, 2002 (Supp. 02-3). Amended by final rulemaking at 19 A.A.R. 1302, effective July 6, 2013 (Supp. 13-2).

**R4-18-802. Informed Consent and Duty to Follow Protocols**

**A.** A physician, medical student engaged in an approved clinical training program, preceptor, or intern, who conducts research involving an experimental procedure, medication, or device, shall ensure that all research subjects give informed consent to participate, which states:

1. Whether a physician, preceptor, or an intern is treating the patient;
2. That the patient or legal guardian of the patient understands:
   a. The type of treatment the patient is to receive;
   b. Each procedure that will be provided to the patient;
   c. The risks and benefits of each procedure, medication, or device to be provided;
   d. That the patient can withdraw at any time; and
   e. That the patient is voluntarily participating; and
3. The physician, medical student engaged in the approved clinical training program, preceptor, or intern has established a protocol as required by subsection (B) that meets the requirements of the institutional review board that approved the protocol.

**B.** A physician, medical student engaged in an approved clinical training program, preceptor, or intern, who conducts research on humans involving an experimental procedure, medication, or device shall have a protocol for that research approved by an institutional review board.
R4-18-901. Definitions
